

Before that
happened...

While that was
going on...

After that
happened...

Not far away from
there...

Far away from
there...

I remember a ____
like that. Once...

person, place, or thing

opportunity

crisis

moment

mystery

If we're going to
talk about ____, I
should say that one
time...

this topic

this person, place, or thing

what someone did

the way they felt

Speaking of ____,
one time...

this subject

this sort of situation

this person, place, or thing

a time like that

That reminds me of
the time when...

What you said about
____ reminds me of
the time when...

that issue

that person, place, or thing

what they learned

the mistake they made

Another example of
____ is the time
when...

a solution like that
that kind of disaster
a person like that
that sort of feeling

I've seen worse.
One time...

I've seen better.
One time...

I've seen more ____
than that. One time...

traffic

ingenuity

of a storm

cooperation

I've seen less ____
than that. Once...

organization

rainfall

understanding

patience

If you think that's
____, you should
have seen the time
when...

amazing

difficult

a lot of money

too much wind

I met someone ____
like that once. What
happened was...

who was
who thought
who felt
who acted

I had to deal with a
____ like that once. It
was when...

mess

dilemma

mystery

perfect storm

I got help from a
____ like that once,
when...

superhero

surprising source

process

discovery

I did something like
that once, when...

I felt like that once.
What happened
was...

I made the same
mistake once,
when...

I found a similar
solution once. It was
when...

I learned something
like that once,
when...

I ran into a problem
like that once,
when...

You might want to
try ____, because
one time...

avoiding this
paying attention to this
asking about this
playing with this

Watch out for ____,
because once...

this problem

this subtle point

this tradeoff

this side effect

I've had experience
with _____. What
happened was...

that kind of problem
a crisis like that
someone doing that
that sort of dilemma

That might be the
usual thing, but on
the other hand, one
time...

It's funny, because
I've seen just the
opposite happen.
What happened
was...

The way ____
needed ____ reminds
me of the time
when...

someone in the story
to be heard
essential information
more of this
to make sense of this

The way ____ wanted
____ reminds me of
the time when...

someone in the story

their own way

to vent their feelings

you to hurry up

to get past this

The way ____ cared
about ____ reminds
me of the time
when....

someone in the story

their belief

this problem

someone else in the story

what they did

The way ____
thought about ____
reminds me of the
time when...

someone in the story
the right way to do this
this obstacle
this person, place, or thing
people like this

What ____ knew
about ____ reminds
me of the time
when...

someone in the story

this subject

how to do this

what was coming next

this person, place, or thing

The way ____ didn't
know ____ reminds
me of the time
when...

someone in the story

what to do next

what this person knew

how to deal with this

what this would mean

The way ____
behaved reminds
me of the time
when...

someone in the story

The way ____
changed reminds
me of the time
when...

someone in the story
something in the story

The trouble ____ had
with ____ reminds
me of the time
when...

someone in the story
this person, place, or thing
what someone did
feeling this way
this barrier

I was there too, and
what I saw was...

What I heard about
____ was that...

what happened

the situation

the people

how they felt

I heard about
something like that.
What I heard was...
